CRITCHLEYS' BUDGET SEMINARS PRACTICAL AND FRESH STRATEGIES FOR SAVING TAX

Over 200 members of Oxfordshire business community and high-net-worth individuals attended Critchleys complimentary Budget seminars at the MINI plant in Cowley yesterday.

The events provided up-to-the-minute tax and financial planning tips. Rather than simply offering a round-up of the headline changes, they told people how to save money on their tax bills. All the advice incorporated Alistair Darling's latest announcements and highlighted any new opportunities.

Guests were also able to enjoy a unique experience and go on a MINI plant tour.

Critchleys' tax and financial planning specialists Gerry Jackson, Director of Tax, Steve Chamberlain, Director of VAT and Jason McGuigan, of Critchleys Financial Planning gave a practical, jargon-free guide covering business tax, Income Tax and National Insurance, Capital Gains Tax, VAT, Inheritance Tax, property tax, and investment planning in language everyone could understand!
