LAUNCH OF CRITCHLEYS FINANCIAL PLANNING LLP

Over 120 clients, professional contacts and staff celebrated the launch of Critchleys Financial Planning LLP at The North Wall Gallery on 20th September.

Critchleys has been providing high quality financial planning services for many years through the main practice. This launch sees the creation of a separately identifiable business which will continue to provide lifestyle and financial services to both existing clients of the firm and new clients outside of the firm.

Jason McGuigan, Brian Foster and the Partners of Critchleys own the new business which is one of Oxford's leading independently owned professional financial planning practices.

Brian Foster, *"We are really excited by what we have created and will continually seek to find improvements to our client proposition/service"*.

Jason McGuigan, *"The launch was a tremendous success in a fantastic setting. I'd like to thank all our clients who attended. It was also great to have so many of our professional contacts supporting us"*.
